

Prescription to Get Active in AVA

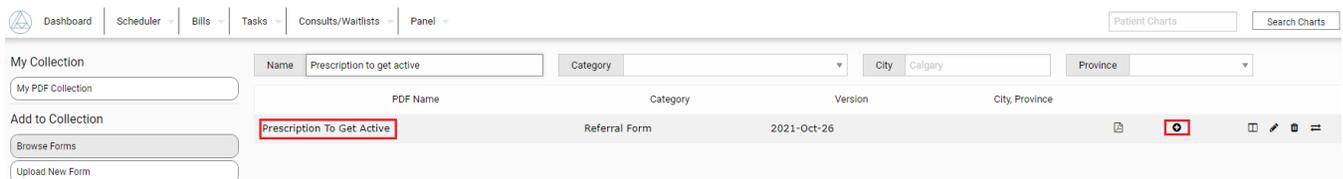

1. Go to **Forms** from Account Settings.

2. Click on **Browse Forms**.

3. Enter **Prescription to Get Active** in the Name field. The referral form will be displayed. Add the form to your collection by clicking the plus icon.

4. In a patient's chart, the Prescription to Get Active form can be added to **Other Documents/Forms**. In the **New Requisition** drop-down, find the form and click **New**.

The screenshot shows a patient chart interface with several sections: 'Labs', 'Investigations', 'Other Documents/Forms', and 'Letters'. The 'Other Documents/Forms' section is expanded, showing a 'New Requisition' dropdown menu with 'Prescription To Get Active' selected. Below the dropdown are two dropdown menus for 'Abemathy, Dolores' and 'Mariposa Clinic', and two buttons: 'Cancel' and 'New'.

5. The form will be displayed in a new window. Complete the appropriate fields and provide the prescription to the patient.

The screenshot shows a web browser window titled 'Edit Form'. The browser's address bar shows 'Save Form Data'. The form content includes the 'PRESCRIPTION TO GET ACTIVE' logo, a 'Date:' field, and three text input fields for 'Patient Name:', 'Physician/Provider Name:', and 'Clinic Name:'. Below these fields is a paragraph of text: 'Your doctor or other health care provider would like you to increase your physical activity to improve your overall health. The **Prescription to Get Active** program is meant for individuals who need to be more active and who can exercise without supervision or medical restrictions.'
